

The Development Board of Nationwide Children's Hospital hosts

SATURDAY, JULY 20TH
2024 SPONSORSHIP

ABOUT THE DUCK RACE

The Development Board of Nationwide Children’s Hospital is proud to host the 13th annual Columbus Duck Race! The race will take place on **Saturday, July 20th at Riverside Crossing Park**, just steps away from Dublin’s popular Bridge Park community.

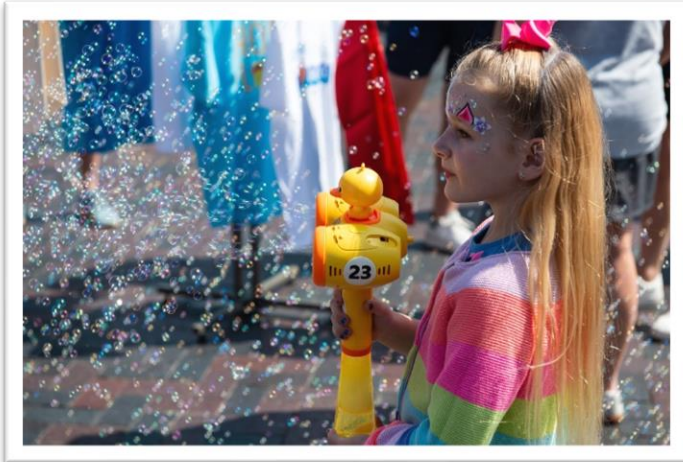

The Columbus Duck Race gives individuals, companies, and organizations near and far the opportunity to join in the fun and make a difference. Duck “racer” entries can be purchased online and at pop up spots throughout the season (May-July). Race day will attract hundreds for a spectacle like no other as we roll out a 300ft slip and slide and race thousands of rubber ducks to the finish line!

Proceeds from the duck race benefit pediatric research at Nationwide Children’s Hospital. The Abigail Wexner Research Institute at Nationwide Children’s Hospital is focused on discovery. An improved treatment for a serious childhood illness, an exciting new insight into a basic biological process, a pioneering strategy to prevent injury or disease, or an innovative way to deliver care to the most vulnerable of our children. Discovery through cutting edge biomedical research is at the very heart of Nationwide Children’s Hospital’s mission. That is why our scientists and physician investigators work tirelessly in the quest of new knowledge to improve the lives of children and their families.

Our success has been– and will continue to be – a team effort, with the support of our generous donor community. We are grateful for your generosity, and we are proud to offer the promise of discovery to the children of central Ohio and beyond.
